## *Activity Course Registration*

## *JULY 6-9 and JULY 20-23, 2026 (8 days)*

## *90-Hour IDOH Approved Activity Course (In-Person)*

**Course Information**

Who Should Attend? Any individual interested in working as an activity director, assistant or aide in a healthcare facility should attend. A qualified activity director must successfully complete this course within six months of hire to meet the State requirements. This course has numerous updates and serves as a great refresher course for those who are experienced and those interested in re-entering the profession.

**Course Structure**

This Activity Course allows greater flexibility for attendee's schedules & offers more home-study work to be completed on your schedule. This comprehensive agenda covers key components for regulatory compliance and the overall functions of the activity department within a health care facility. The format offers 48 hours of classroom instruction & approximately 42 hours of home study.

**Meets State Regulations**

This course satisfies Indiana State Regulation IAC 410 16.2-3.1-33 (e)(4), which requires an approved 90-hour training course for activity professionals. Students must attend all class days, complete the assigned homework and successfully pass the course exam.
